Author's Notes:
This is Andy\'s fault.

"Why?"

"Why not?"

He looks at me like he just can't believe I'd do this, pursing his lips in a way that makes me insane.

"An inflatable guitar?"

"Yeah."

He rolls his eyes and sighs, the breath he exhales heavy with beer. "So what am I supposed to do with it? I'm not wearing it onstage."

I carefully put it over his head. "There. And I never said it's for you to wear onstage."

"Doesn't it need to be blown up?"

With a grin, I sink to my knees. "It certainly does."

He seems to like the idea after all.
